PRAYER FOR HEALTH

Lord Jesus Christ, you traveled through towns and villages curing every disease and illness. At your command, the sick were made well. Come to our aid now, in the midst of the Coronavirus, that we may experience your healing love. Heal those that are sick that they may regain their strength and health.

Heal us from fear which prevents us from helping one another. Heal us from pride, which can make us claim invulnerability to a disease that knows no borders.

Lord Jesus, healer of all, stay by our side in this time of uncertainty and sorrow. Be with those who have died from the virus. Be with the loved ones of those who are sick or have died. As they worry and grieve, defend them from despair.

Be with researchers, medical professionals, and those that put themselves at risk in the process of helping the victims. Protect them from harm.

Be with the leaders of all nations so that they act with charity and true concern for the well-being of the people they are called to serve.

Lord Jesus, stay with us as we endure and mourn, persist and prepare. Give us your peace and courage to move on.

Amen.
