Alex Trytko is a Software Engineer and organist who graduated from Stanford University in 2013 with a BS/MS in Computer Science. He began his study of the organ with Dr. Angela Kraft Cross in 2006, and continued studying with Dr. Robert Huw Morgan while at Stanford. Though he is an engineer, he maintains a passion for the pipe organ and is excited to travel to France at the end of the year to study on a number of magnificent instruments.
